Roderick Street Community Kindergarten

Our educational program supports your child to develop socialisation, communication and early numeracy and literacy skills. Under the guidance and care of our very experienced and highly qualified early childhood teachers, your child will:

- Make friends and learn how to interact with other children
- Explore and express their creativity
- Connect with natural environments
- Build confidence and find their unique identity
- Connect with their world through play and other activities
- Learn to be an effective communicator and involved learner
