Our programming follows the “Building Waterfalls” curriculum developed by the Crèche and Kindergarten Association. This uses a play-based theory which focuses on the developmental needs of each child.

The “Building Waterfalls” curriculum focuses on 4 shared understandings

- ❖ Connecting
- ❖ Enlarging
- ❖ Listening
- ❖ Exploring

Our well established environment stimulates and fosters children’s interest and curiosity. The playground is unique in its combination of spaces to run, climb, dig, explore and reflect.

Qualified Early Childhood Staff provide high quality care and foster the development of your child. Parents are a fundamental part of our programme and are always welcome to contribute to the educational content of the curriculum.

Red Hill Kindergarten is a community centre run by a parent committee elected annually.

Kindergarten Fees are paid quarterly by Direct Debit and are determined annually by the committee. Fees are offset by government funding and some fundraising activities. Red Hill Kindergarten is a Registered Childcare Provider.

Our centre operates a waiting list system in strict order of receipt of applications. There is an \$11 waiting list fee. **Applications open from July for children born in the previous 1 July – 30 June period.** The earlier they are on the list, the better the chances of securing a place.

We start allocating places mid-year (via email) so you will not hear anything before this time.

Red Hill Kindergarten is a warm, caring environment with high quality early childhood education that has brought generations of families back to the centre since its beginnings in 1956.
