CHCSS00072

Building Inclusive Practices in Early Childhood Education and Care - Skill Set

The **CHCSS00072 Building Inclusive Practices in Early Childhood Education and Care skill set** reflects the skills requirements for educators to build inclusive practices in an early childhood education and care sector organisation.

Course Overview

This skill set will enhance your focus on children's learning and development, as well as support continuity and connection of services across early childhood settings and includes:

- a series of professional development activities, including online courses and webinar
- a pre self-evaluation process with workplace verification
- five competency conversation interviews / tutorial workshops
- six workplace performance evidence assessment tasks (which can be undertaken and presented as a group activity)

Course Duration

3 to 6 months – Professional Development

Intakes

C&K College of Early Childhood is open 50 weeks of the year and takes enrolments at any time. Please call 07 3513 2524 for more information.

Payment Options

Fees are payable up front or by payment plan (weekly, fortnightly or monthly payments).

Inclusions

Students who undertake the Building Inclusive Practices skill set with C&K College of Early Childhood are provided with the following resources to support learning and assessment activities:

- Walker, L., Miller, S., & Tansey, S. The Early Childhood Educator for Diploma. North Ryde: McGraw-Hill Education (Australia) Pty Ltd.
- On-line professional development course by Dr Kaylene Henderson, 'Raising Good Kids: Managing Behaviour and Emotions in Early Childhood Care and Education Settings'. <http://drkaylenehenderson.com/for-professionals/> and
- newly developed webinar by Dr Kaylene Henderson, 'Promoting Attachment Security, Fostering Wellbeing and Enhancing Developmental Outcomes in ECEC Settings'.

Participation in Early Years Connect online modules and topical webinars will support the skills recognition process. Early Years Connect is a professional development package which has been designed to support Queensland early childhood education and care (ECEC) educators working with children with complex additional needs. This includes children with disability, significant development delay and complex social, emotional and behavioural needs.

Course Units

This skill set will enhance the focus on children's learning and development, as well as support continuity and connection of services across early childhood settings. Skills and knowledge required by educators working with children:	
CHCECE007 Develop positive and respectful relationships with children	... to ensure they can develop and maintain effective relationships and promote positive behaviour
CHCECE020 Establish and implement plans for developing cooperative behaviour	... to support both individual and group plans for developing cooperative behaviour
CHCECE017 Foster the holistic development and wellbeing of the child in early childhood	... to foster and enhance the holistic development and wellbeing of children from birth to 6 years of age
CHCECE021 Implement strategies for the inclusion of all children	... to support the inclusion of all children and to work with relevant others to plan and implement support strategies where required
CHCECE026 Work in partnership with families to provide appropriate education and care for children	... to work in partnership with families to provide appropriate education and care for the child
CHCPRP003 Reflect on and improve on professional practice	... to evaluate and enhance own practice through a process of reflection and ongoing professional development.

These units provide credit towards a range of qualifications in the CHC Community Services Training Package, including CHC50113 Diploma of Early Childhood Education and Care.
