Early Childhood Teacher Bridging Program

The Bridging Program maps the **Diploma of Early Childhood Education and Care (CHC50113)** to the Australian Professional Standards for Teachers to produce industry endorsed matrices of credit transfer and gap training requirements for each unit of competency. C&K College of Early Childhood is registered to deliver the Bridging Program.

Course Overview

If you're a primary school teacher, you can fast track your career and complete a Diploma of Early Childhood Education and Care within 6 to 12 months of full-time study (depending on the skills and knowledge you need to successfully transition to early childhood teaching). This will allow you to will enable you to work in a range of early childhood services, such as kindergarten, long day care, and outside school hours care.

A Diploma qualification in early childhood provides career opportunities beyond working directly with children, including leadership, management and support roles.

The course covers the following areas:

- Supporting the health, learning and development of children
- Supporting children's learning and development
- Design, planning, implementing and evaluating educational programs
- Work with families, community and external agencies
- Providing leadership and support to other staff
- Leadership roles in a variety of early childhood services
- Managing compliance with policies and legislation.

Note: In 2013, the Australian Children's Education & Care Quality Authority ([ACECQA](#)) determined that registered/accredited primary school teachers can be recognised as an 'equivalent Early Childhood Teacher' if they complete a CHC50113 Diploma of Early Childhood Education and Care. Please note this transition arrangement ceases on the 31 December 2019, however educators who obtain this qualification before the end of 2019 will continue to be recognised as equivalent Early Childhood Teachers.

Subsidised Fee	\$805	\$35
Concession Fee	\$460	\$20

*** C&K Staff discounts are available*

Payment options

Fees are payable up front or by payment plan (weekly, fortnightly or monthly payments).

Program Delivery and Vocational Placement

This program is designed with commencements regularly. The Bridging Program is delivered using the materials endorsed by DET and study support is available by appointment. Students in the Bridging Program may also attend the regular skill development workshops run at the C&K Kedron Training Rooms as part of the Diploma training and assessment activities.

All Early Childhood Education and Care courses have vocational placement components which are compulsory to obtain the qualification.

As this is a customised program for qualified/registered primary school teachers bridging to an early childhood qualification, there is a requirement that the majority of work experience is undertaken in a regulated education and care service that caters for children birth-five years. This includes interactions with babies and toddlers.

If you do not currently work in an Early Learning Centre you will be assisted to source an appropriate vocational placement in an Early Childhood Education and Care Service. Where this is possible, it will be in a C&K service.

Early Childhood Teacher Bridging Program

Working as an early childhood teacher

Registered primary teachers who hold an approved diploma level qualification are recognised by the Australian Children's Education and Care Quality Authority (ACECQA) as holding a nationally approved early childhood teaching qualification.

As soon as you enrol and are studying towards your approved diploma qualification through the Bridging Program, you can start working in a service as an early childhood teacher. For information on how, or when, a person is considered 'actively working towards' an approved early childhood teaching qualification please visit ACECQA website <http://www.acecqa.gov.au/actively-working-towards-an-approved-qualification>

Students will need to undertake the required First Aid course (HLTAID004 Provide an emergency first aid response in an education and care setting) and provide a copy of the Statement of Attainment to the College for the Credit Transfer process.

Should the College engage a specialist first aid trainer, students will be advised of the cost of attending the first aid course prior to enrolment in the unit and attendance at training workshop.

Recognition of Prior Learning (RPL)

If you have Early Childhood sector skills and experience over and above the amount mapped, you may be eligible for additional Recognition of Prior Learning (RPL). Students work through a toolkit which allows them to demonstrate their knowledge and skills without completing additional learning. Students can work through the toolkit at their own pace and are assessed on skills and knowledge through the Recognition process. Please contact the C&K College of Early Childhood to discuss how RPL might benefit you.
