Available Subsidies

You will have a choice of Queensland Kindergarten Funding Scheme (QKFS), Child Care Subsidy (CCS) or a combination of both subsidies to reduce fees. Some families may be better off with QKFS while others may be better off claiming CCS.

Queensland Kindergarten Funding Scheme (QKFS)

To be eligible for QKFS your child must be at least 4 years old by 30 June in the year they are enrolled. All eligible children are entitled to receive the QKFS Standard Subsidy which will apply to one Core Kindergarten program. All other program hours may be claimable with CCS subsidy, if eligible.

You may also be eligible for QKFS Plus Kindy Support Subsidy:

- If you or child has a current Australian Government Health Care Card, Department of Veterans Affairs' Gold Card or White Card or an Australian Government Pension Concession Card
- If you or child identify as being Aboriginal and/or Torres Strait Islander
- If your family had a multiple birth of 3 or more kindergarten aged children.

Child Care Subsidy (CCS)

Child Care Subsidy (CCS) is available to eligible families. The amount of CCS depends on your (and your partner's) individual circumstances including income and hours of activity (work, study or volunteer). Please complete a Child Care Subsidy Assessment to determine your CCS eligibility and entitlement.
