

### Introduction

Effective enrolment and orientation processes form the foundations for strong relationships between families and a centre. For further information, visit C&K Intranet, [Kindergarten Enrolments](#) or [Childcare Enrolments](#) or contact C&K Service Support ([servicesupport@candk.asn.au](mailto:servicesupport@candk.asn.au)) or your Early Childhood Education Manager.

### Making enrolment offers

With centre Administrator / Clerical support, enrolment offers are managed by and are the responsibility of the Centre Director.

- Enrolment offers for the following year typically commence:
  - For kindergartens – up to one year prior to children commencing kindergarten.
  - For childcare and Outside School Hours Care centres – Quarter 4; the year prior to the year of entry.
- When a vacancy exists, an enrolment offer is made to the next child on the waiting list.
- The number of enrolment offers made depends on:
  - Vacancies
  - The number of children on the waitlist
  - The age of children
  - The number of continuing children, and
  - The expected number of delayed entry / exit children.
- Child care, Outside School Hours Care and Occasional Care centres will offer places according to C&K's *Priority of Access* (as per below) **AND** the received date order of waitlist applications. As vacancies arise in a centre, priority will be given to children who are:
  - **Priority 1:** At risk of serious abuse or neglect
  - **Priority 2:** From a single parent who satisfies, or of parents who both satisfy the work, training study activity test
  - **Priority 3:** Any other child
  - Within these priority categories, priority will also be given to children in Aboriginal or Torres Strait Islander families and families where a member is disabled.
- When offering enrolments, kindergartens are required to:
  - Use the iEnrol (Kidsoft) system to support the enrolment offer process.
  - Offer a place as per C&K staff priority followed by the received date order of waitlist applications.
  - Offer places as per the eligible age guidelines (i.e. children who turn 4 by 30 June in the year they attend kindergarten).
  - Offer places in one group before offering places for subsequent group/s.
  - Follow the Queensland Kindergarten Funding Scheme Guidelines when offering enrolments to non-eligible age children.

### An enrolment is confirmed when a parent / guardian has:

- Completed and returned an *Enrolment Booklet* (which includes the *Fee Payment Agreement* and *iDebitPro Forms*) **OR** accepted an enrolment offer via Kidsoft's iParentPortal and completed and submitted the online Enrolment Form.

### Orientation

- Orientation activities may vary from centre to centre.

- However, all centres are required to:
  - Commence orientation activities upon confirmation of enrolment (for children commencing the following year) in term 4 / quarter 4 before the end of year closure.
  - Provide an Orientation Pack to all families.
  - Inform parents / guardians of all items detailed on the Orientation checklist.
  - Provide an opportunity for the child's educator and parent / guardian to discuss confidentially the child's individual strengths, interests and needs.
  - Invite waitlisted families to events to show them the centre prior to enrolment (e.g. Open Week).
  - Prior to enrolment, arrange a formal meeting with parents / guardians who are enrolling a child with an additional need or medical condition. Please refer to Procedure Medical Conditions and Procedure Communicating with families to support children's wellbeing and inclusion for further direction.

Consider and respond appropriately to the needs of enrolled families from diverse cultural and language backgrounds. To access interpreting services, please contact the Quality and Regulation (Q&R) team (3513 2597 / [nqf@candk.asn.au](mailto:nqf@candk.asn.au))

\* Email via Kidsoft is the preferred method of communicating enrolment offers and providing enrolment offer documents. This will ensure accurate records of all correspondence. Electronic versions of enrolment offer documents are available.

### Priority to C&K employees

- C&K permanent (full-time and part-time) employees are provided with enrolment priority at all C&K branch centres. That is, C&K employees will be placed at the top of a centre's waiting list and will be offered the next available vacancy.
- Whenever possible child(ren) of C&K employees should be enrolled in an alternative centre or group to their educator parent / guardian. C&K recognises that in some cases (e.g. regional / remote centres) this may not be possible.
- If conflict or difficulty arises from the enrolment of an employee's child, a facilitated conversation between the Educator and Centre Director may be required. If the centre Director's child is involved, the Early Childhood Education Manager will assist. If the conflict or difficulty is not adequately resolved, approval for the continued enrolment of the child may be withdrawn at the discretion of C&K executive management.

### Staggered or delayed starts are not permitted

- C&K centres are not to implement staggered starting dates for children at the beginning of a new year.
- To be eligible for the Queensland Kindergarten Funding Scheme funding, approved kindergartens must operate and provide a program for a minimum of 15hrs / week at least 40wks / year.
- If vacancies exist and an enrolment offer is made, the child is to commence and / or full fees are payable.

### Kindergarten specific enrolment information

#### Non-eligible aged children

- Only children of eligible age (i.e. children who turn 4 by June 30 in the year they attend kindergarten) can receive Queensland Kindergarten Funding Scheme subsidies. Parents / guardians of non-eligible age children are not eligible for any Queensland Kindergarten Funding Scheme subsidies and are required to pay full fees.
- Waitlisted children of eligible age will be offered a place before non-eligible age children.
- Enrolment offers to non-eligible age children are made as per Queensland Kindergarten Funding Scheme guidelines.

#### Enrolment in more than one kindergarten group

- If a child is already enrolled in another approved kindergarten program, they may only be considered for enrolment in a second kindergarten group when the waiting list has been exhausted and all efforts have been undertaken to maximise enrolments of eligible age children.
- A child enrolled in a second kindergarten program will not be eligible for additional Queensland Kindergarten Funding Scheme subsidies. The parent / guardian must indicate via the *Enrolment Booklet* which centre will receive the Queensland Kindergarten Funding.
- When a child is enrolled in both a C&K kindergarten and a C&K childcare kindergarten program, the parent / guardian will be asked to nominate the centre to receive Queensland Kindergarten Funding.

- Eligible age children, not currently enrolled in a kindergarten program, have priority over children wishing to enrol in a second kindergarten group.

### Delayed entry and delayed exit

- It is recognised some children may benefit from starting a kindergarten program at a later age (delayed entry) or completing a second year of a kindergarten program (delayed exit). Refer to Procedure Delayed Entry and Exit for further guidance.

### Updating Enrolment Information- Returning / Continuing Families

- Updating enrolment information for returning families is the responsibility of the centre Director.
- Returning families are **not** required to complete an *Enrolment Booklet* or pay an enrolment fee.
