Dear John

Action required: please complete your Child Care Subsidy assessment now

From 2 July 2018, the new Child Care Subsidy will replace Child Care Benefit and Child Care Rebate. Under the new subsidy there are changes which may mean the number of child care hours and the amount of fee assistance you receive could change.

You can estimate the amount of child care subsidy you may be able to get by going to **humanservices.gov.au/paymentfinder**

What you need to do

You need to complete your Child Care Subsidy assessment **now**. You will not receive child care fee assistance from 2 July 2018, if your assessment is not completed.

You can do this by going to **my.gov.au** and signing in to access your Centrelink account. Select 'Complete your Child Care Subsidy Assessment' from the menu to complete the review. If you do not have a myGov account, you can create one and link it to your Centrelink online account.

You will need to confirm:

- your and your partner's income estimate for the 2018/19 financial year,
- your and your partner's hours of work, study or volunteering, and
- your child care enrolment details.

What happens next

When we have received your completed Child Care Subsidy assessment, we will send you an estimate of the number of child care hours and the amount of child care fee assistance you may be entitled to.
