

C&K Parkhurst Childcare Centre UPDATE

FEBRUARY 2024

Building update

Inside, laminate flooring is being laid throughout the centre, amenities are being installed and cupboards and shelving fitted.

Outside, the playground area now includes sections for the nursery sandpit, mudpit, play and climbing structure, garden beds and swings.

Fees

Fees have now been finalised for each room. These are the standard, out-of-pocket daily fees, before any government subsidies apply:

- Kindergarten: \$139.00 per day
- Pre-Kindy: \$140.00 per day
- Toddlers: \$142.00 per day
- Nursery: \$142.00 per day.

More information is available on the [Parkhurst webpage](#).

Government subsidies

The Australian Government helps eligible families with the cost of childcare through the **Child Care Subsidy** (CCS) and the Queensland Government provides eligible-aged children with 15 hours of free kindy per week. Families receiving **Free Kindy** will still receive CCS, if they are eligible. You can check your eligibility online for both subsidies.

Opening date

We understand how important it is for families to plan ahead and are working hard to finalise our opening schedule. The opening date depends on a range of factors including construction completion, recruitment and government Service Approval. We will share the date with you as soon as possible and continue to provide progress updates.
