

COVID Comms 27 August 2021 Families in 11 Affected LGAS

Dear families,

Following the announcement that restrictions are easing in the 11 south-east Queensland council areas from this afternoon, we are delighted to return to Commitment Statement **Response Level Green** for all centres from Monday 30 August 2021.

However, as per the updated [Queensland Government website](#), the following restriction will remain in place until 4pm AEST Friday 10 September 2021:

- [face masks](#) will continue to be required in south-east Queensland

This means that staff, families and visitors must continue to wear a face mask at all C&K centres.

We encourage you to refresh your knowledge of C&K's [COVID-19 Commitment Statement](#) for families. For more information on face masks, visit the [Queensland Health website](#).

If you have any questions, please ask your centre Director or contact our dedicated C&K Coronavirus Advice Line at advice@candk.asn.au or call 07 3513 2591.

Thank you for your continued support throughout the COVID-19 pandemic.

Take care,
Dr Sandra Cheeseman
