

## COVID-19 Update 14 April 2021 'Green' Response Level

Dear Families,

As you may be aware, today the Queensland Government announced the [easing of restrictions](#) across Queensland, effective from 6am tomorrow, 15 April 2021. This means that families, staff and visitors no longer need to wear a face mask while at a C&K centre. However, if you feel more comfortable wearing a mask, please feel free to do so. We want you to feel as safe as possible.

As Queensland currently has no COVID-19 community transmission cases, C&K will **move to Response Level Green (Low Response) from 6am Thursday 15 April** as outlined in C&K's [COVID-19 Commitment Statement](#). We encourage you to refresh your knowledge of the commitments for families.

You can also visit the [Queensland Government website](#) for the latest health advice.

Thank you for your continued support throughout the COVID-19 pandemic. If you have any questions, please ask your centre Director.

Take care,

Dr Sandra Cheeseman  
Chief Operating Officer
