

COVID-19 Update 28 June 2021

Dear Families,

I would like to update you on advice relating to the emerging COVID-19 situation across Queensland.

The Queensland Government has announced [increased restrictions](#) for South East Queensland, effective 1am, Tuesday 29 June 2021.

As per the Queensland Government announcement today, the wearing of masks will be compulsory in the **Brisbane, Gold Coast, Ipswich, Lockyer Valley, Logan, Moreton Bay, Noosa, Redlands, Scenic Rim, Sunshine Coast** and **Somerset** local government areas.

This means that families attending a C&K centre must wear a mask when at the centre. Any parent/caregiver arriving at the centre without a mask will need to wait outside. Please ensure you are wearing a mask when you arrive in the morning.

All C&K centre staff will be required to wear a mask when travelling to and from work on public transport, and when interacting with adults where they are unable to physically distance. While C&K staff are required to wear masks when they are interacting with families, they are not required to wear a mask when working with children.

From Tuesday 29 June until Tuesday 13 July 2021, all C&K centres will be at a 'Yellow' Response level.

We encourage you to read the [C&K COVID-19 Commitment Statement](#) and re-familiarise yourself with these commitments, which can also be found on the C&K website.

We assure you that the safety of your children, families and our staff is our first priority. We ask you to please keep your child home if they are unwell or showing any signs of illness. Please ensure that you adhere to physical distancing guidelines of 1.5 metres and hand washing guidelines when attending your centre. C&K centre staff will be following enhanced cleaning procedures.

We encourage you to visit the [Queensland Government website](#) for the latest health advice and [increased restrictions](#) in South East Queensland.

We understand that you may have some questions and we encourage you to contact our dedicated Coronavirus Advice Line at advice@candk.asn.au or call [07 3513 2591](tel:0735132591).

Thank you for your understanding.

Dr Sandra Cheeseman
Chief Operating Officer
