

**Changes to Term 2 Kindergarten Fees 14/04/2020**

Dear Families,

We hope you and your family enjoyed your long weekend together.

As you may be aware, the Queensland Government recently announced that Community Kindergartens will be free of charge during Term 2. Kindergartens will be open for essential workers and children experiencing vulnerability, with “Learn at Home” options for those who can remain at home during this period. We welcome this announcement and are working with the government to get a better understanding of what this means for you and your family. With Term 2 less than a week away, we understand that you may have questions about how this will work for your child. We will provide you with an update as soon as we have further information.

In the meantime, please take care of yourself and those around you.

Take care,

Sandra
