

**Australian Government Changes to Childcare Fees 2/04/2020**

Dear Families,

As you may be aware, the Australian Government has today announced a change to childcare fees. This change will be effective from Monday April 6<sup>th</sup> and backdated to Monday March 23<sup>rd</sup>.

We are working through how we can implement this change for your family and will come back to you in the coming days with further information. In the interim we have ceased direct debit payments for those who are paid up to Monday March 23<sup>rd</sup>. We appreciate your patience and understanding while we work through the finer details of how best to support you, your child and our staff.

Take care

Dr Sandra Cheeseman
