

Starting School

Resources offering tips and suggestions to help prepare children and families starting school

The following publications are available:

- Parent guide
- Children's activity book

The Starting School resources are part of the Ready Together - Transition to School Program. This partnership program between C&K and Mission Australia's Communities for Children (Inala to Ipswich) includes engaging the school community, professionals and community services. The resources support families to learn about their school, and develop confidence to take part in their school community.

Please note both books are only sold in packs of 25 at \$60 per pack
