Course Overview

The CHC30121 Certificate III in Early Childhood Education and Care is a nationally recognised qualification from the CHC Community Service Training Package. This qualification is the minimum requirement for early childhood settings in Australia. Childcare and Early Childhood Education facilities are experiencing a skills shortage which means there is high demand for qualified workers. You need to hold or be actively studying towards an approved certificate III qualification to work in a regulated care service. The course covers the following areas:

- Care and nurturing: babies, toddlers, and children
- Fostering individual development and learning
- Promoting and facilitating healthy mealtimes
- Legal and industry requirements
- Planning, implementing, and evaluating educational programs
- Working alongside other educators and teachers
- Work with family and community.

To gain CHC30121 Certificate III in Early Childhood Education and Care with C&K College of Early Childhood, participants are required to competently complete 17 units of competency (15 core and 2 electives) as follows:
