

# C&K Parkhurst Childcare Centre

## APRIL 2024

### Introducing our new Director

C&K Parkhurst's new Director, Karlee Cowie started this week. We are thrilled to welcome Karlee to the Parkhurst team and asked her to share some information about herself.

"My name is Karlee and I am beyond excited to begin my journey with you all. I have been in the early years sector for over 16 years and began my training as a Certificate III educator, making my way through all roles from Lead Educator, Educational Leader, Assistant Director and Director.

I have a passion for instilling a love of learning in all children. My belief is that play is the work of children and the more opportunities children have to play the more they flourish.

I love exploring the natural environment and being in the outdoors. I am a born and bred Rocky girl who loves all things outback and beach! You will often hear me talking about times spent at the beach and camping.

I cannot wait to meet you all and spend time getting to know you and your little people."

We are continuing our recruitment process and look forward to introducing more of our new team members to you.

### Enrolments

Our opening date has been impacted by building delays and we are working towards opening in June. Once we have Service Approval, we can confirm our opening date and start the offer of enrolment process. Enrolments will be offered to families based on their position on the Expression of Interest register.
